

Wax Resist Christmas Card

Age: 5-7 Group size: 10

Duration: 20 mins

Preparation time: 10 mins

Resources

- Cartridge paper
- Wax crayons
- Food colouring or dye
- paintbrushes

Preparation

Draw a Christmas picture on the cartridge paper using coloured crayons. Paint over the whole thing with the food colouring. Mount the picture and then place on front of a blank card.

For a more complicated card, use a white crayon to create thick borders, then apply a different colour. The wax forms a barrier that stops the colour from bleeding.
