

Silver Bucket

Age: 4-6 Group size: 8

Duration: 10 mins

Preparation time: 10 mins

Resources

- Aluminium foil
- Yogurt pots
- Sellotape
- Coloured tissue paper

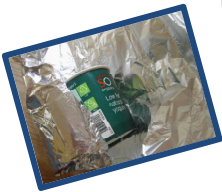

Preparation

Each child needs a yogurt pot and an A4 size piece of foil.

Activity

Roll the pot in the foil, keeping the base near the bottom of the foil. Push the foil around the base and sides, tear off the excess foil at the top, leaving extra to tuck inside. Smooth the foil around the sides and push in the foil to the top and bottom tightly.

Scrunch the left over foil into a thin sausage shape and attach it to the inside of the pot with tape. Line the inside of the bucket with crumpled up tissue paper. Stick sequins, ribbons on to the bucket to make it pretty. Use the bucket as a gift box for chocolates.
