

# Card dominoes

Age: 5-11 Group size: 2-4

Duration: 10 mins

Preparation time: 0 mins

Resources

- Pack of playing cards

Object of the game

To build up the suits in sequence.

Playing Rules

Deal all the cards to the players and decide on a playing order.

Each player looks at the cards they have been dealt and sorts them into suits.

The player with the 7 of diamonds begins and puts the card face up on the table. The next player looks to see if they have an 8 or 6 of diamonds to continue the sequence. Alternatively, if they have a 7 from another suit they can start a new row.

If a player can't put down a card, they miss a go. The first person to get rid of all their cards is the winner, but play continues until all the suits are completed in sequence.
