

Spin the plate game

Age: 7-9 Group size: 20

Duration: 10 mins

Preparation time: 0 mins

Resources

- A large plastic plate or lid

Preparation

Sit the children in a large circle with the plate in the middle. Give each child a number.

How to play

Choose a person to go into the middle and spin the plate on its edge. The spinner calls out a number and that child has to run into the circle and catch the plate before it stops spinning and falls. A variation on this can be to have a ball, throw it high in the air and call a number to catch it.
