

# Doubles Hunt

Age:KS2 Group size: up to 30

Duration: 10-15 mins

Print and laminate the cards. Use blu tack to hide the number cards around the room or area. Pair or group the children and give each set of a players a list. The children have to work out which numbers they are looking for. They write the numbers down using a whiteboard pen, when the list has been completed they may go and look for their numbers, sticking them over the top of the written numbers on their board.
